Java Community Process (JCP) Program

Program Office Report
Prepared for 10 January 2012
by Heather VanCura

Community Development of Java Technology Specifications

Star Spec Lead Nominations

- **Nominations are open for the 2011 Star Spec Lead(s)**
- **The selection criteria: <http://jcp.org/en/press/news/star2>**
- **Star Spec Lead process criteria**

Participating in mentorships

Submit tutorial material to publish on jcp.org

Managing unusual obstacles in a JSR, i.e. Spec Lead transfers JSR transfers to different entity, loss of valuable EG members.

New, effective and innovative ways to run-manage Egs, i.e. running active and observer groups, having voting rights and duties documented, using a java.net project.

Maintaining the expected behavior w/a huge expert group

Resurrect stalled JSRs

Dealing w/a politically difficult situation i.e. mergers and acquisitions, negotiating inclusion into umbrella JSRs

Engagement in evangelism in general promoting the importance of standards

Star Spec Leads (continued)

➤ **Star Spec Lead communications criteria**

Active blogging/mentioning their JSR/JCP standards in their blog (Spec Leads are encouraged to send us links to their blogs)

Participate in JCP PMO audio recordings or WebEx calls

Promoting the JCP and the Community to broader audiences (JUGs, non-Java developers, students and more)

Public speaking/presentations that mention standards and the JCP at industry events

Contributing articles and becoming a resource for contributed articles about the JCP and JSRs

Sharing JSR related news with the Community

Utilizing social media consistently including blogging for promoting and attracting support for their JSRs

Conducting media interviews about their JSRs

Please nominate ASAP; will send email reminder

- **The PMO is in process of conducting an (~annual survey)**
 - This will be Wave 6; will present a summary of results at a future EC Meeting
 - Measures Participation, Satisfaction, Web Site, Other Organizations, Respondent Profile
- **Please encourage your associated Members/Non-members to complete the survey by 23 January**
 - <http://surveys.globaltestmarket.com/survey/gmi/212426/survey1.html>

JCP 2.8 calls for Spec Leads

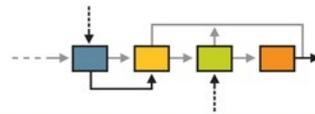

Java
Community
Process

- **The program office arranged 2 sessions for JCP Spec Leads on JCP 2.8**
 - **<http://jcp.org/en/resources/multimedia>**
 - **October, JCP 2.8 overview of changes**
 - **December, Transparency**
 - **Future calls for 2012-suggestions?**

➤ JCP Project on Java.net

- <http://community.java.net/community/jcp>
- Instructions for JSR Spec Leads
 - http://jcp.org/en/resources/java_net
