  - Participants: Azul, Fujitsu, Goldman Sachs, IBM, Nokia, Oracle, Werner Keil, RedHat, SouJava, Mohamed Tamen, Patrick Curran, Heather VanCura
    - Teleconference and WebEx meetings
    - Java.net project home:
    - https://java.net/projects/jcpnext4/pages/Home
    - 2 Meetings since the last EC Meeting in July

July 15 Meeting

- We reviewed the meeting summary from the JCP EC July Meeting.
- We decided on the following:
  - Reviewed, discussed and updated Issue #55 (Permit individuals employed with JCP Corporate Members to join as Individual Members w/signed ECA), 28 (Maintenance Review changes-allow MLs to select a 2 week review period for urgent fixes),54 (allow University Professors to join as Individual JCP Members without an ECA) .
  - Assigned action items for closing bugs and reviewing the EDR(which was posted and closed yesterday).
  - John Weir to update Workflow diagram based on change.

August 5 Meeting

- We discussed and agreed on issues closed, reviewed open issues. All issues that can be addressed presently have been updated.

- Reviewed the schedule for Public Review in September, followed up on agreement draft requests from Oracle Legal.
  - Agreed to start drafting the Affiliate Agreement, Partner Agreement, Employer Contributor Agreement (ECA).

Next Steps

- Continue meetings on Tuesdays at 08:30 am PDT as needed.
- Submit Public Review milestone posting on JCP.org in September with drafts of agreements.
    - Publish on https://jcp.org/en/jsr/detail?id=364
    - Proposed Final Draft in October 2014.
