

OSCON

For the JCP Executive Committee

O'REILLY

Welcome to

OSCON

O'REILLY

TEAM'S SCHEDULE

O'REILLY

The O'Reilly Open Source Convention

- May 8 & 9 - Training and Tutorials
- May 10 - 11 - Conference
- *The* open source conference in the USA
- ~3000 attendees
- Not tied to any particular technology

About OSCON

...everything open source: languages, communities, best practices, products and services. Rather than focus on a single language or aspect, such as cloud computing, OSCON allows you to learn about and practice the entire range of open source technologies.

Themes for 2017

Topics covered:

- Open Source: From Consumer to Contributor
- The Business of Open Source: From Project to Product
- Infrastructure
- In Real Life (IRL)
- Adopt This Now
- Security
- Performance
- Collaboration and Community
- Leadership
- Architecture
- The Cutting Edge
- Data, Big and Small
