Logo Use

Java 9 Duke

EC Member Logo

Goals

- Highlight your role as a Java community leader
- Grow the JCP Program
 - Broaden awareness and increase membership
- Reinforce your influence as a JCP EC member

Communication Guideline

- JCP EC Communications – to ensure accurate, timely and smooth communication of JCP announcements
- Guidelines in support of the JCP communication process
- Synchronize public communication about the JCP, primarily communication through social media, blog, press releases
- Leverage individual and corporate associations to elevate each other and the JCP
- Shared [calendar](#), private to JCP EC

JCP EC Communications Group

Thank you for joining the JCP EC Communications Group.

JCP EC marketing will work toward ensuring accurate, timely and smooth communication of JCP announcements. The JCP marketing committee has developed a set of guidelines in support of the JCP communication process to help synchronize public communication about the JCP, primarily communication through social media, blog, press releases.
