

Java Community Process Executive Committee Nomination

BNY Technology Overview

September 10, 2024

BNY Technology, with over \$3.5 billion budget in 2024, has more than 12,000 technologists and developers globally, that support the bank's role as a leading provider of clearing, payments, custody, and asset management services to the global financial markets.

Our group of leading technologists and developers innovate solutions that support BNY's role as one of the largest investments companies in the world, managing \$49.5 trillion in assets under custody as of July 30, 2024.

The Java ecosystem is a significant part of the technology stack across the BNY Mellon enterprise.

BNY is represented by Java Champions and well-recognized Java User Group Leaders at the JCP Executive Committee: Sirisha Pratha, Rodrigo Graciano and Victor Grazi. BNY proudly includes Java Champion Loiane Groner in their team.

JCP Involvement

- Actively involved in the Executive Committee as a current ratified member
- Hosted JCP EC 2023 Face-to-Face event at BNY Headquarters in New York with over 30 attendees
- Participating in OpenJDK Quality Outreach Program via Spring Kata and BNY Mellon Code Katas
- Committed to Java in Education via workgroups
