5 people have recommended Siddique

"Siddique Hameed did an exceptional job on the recent project. I have had a pleasure of knowing Siddique Hameed for the past 2 years working on the same projects. He is an intelligent and careful developer. He is open minded and a great expert in code development. Siddique is deadline oriented and works towards maximal customer satisfaction."

— **Vickie Iddings**, *Senior Software Quality Analyst, Monsanto*, worked directly with Siddique at Monsanto

"Siddique is a Senior Java Developer with a proven track record for results. He is very driven and is passionate about his work. For him, it isn't just a job, it's also his hobby. I believe that is what sets him apart and makes him such a valuable team member. We have hired him to perform contract duties at our client on two separate occasions. We would happily represent him again should the opportunity present itself. Siddique has always been very professional, honest, and transparent."

— **Calvin Horrell**, was Siddique's client

"Siddique is a very knowledgeable developer and has been a great resource for help me become more familiar with the environment and applications. I often use Siddique to discuss designs and approaches to problems because his experience has shown the path towards simple solutions. I hope to work in the future with Siddique as he is focused on getting the work done."

— **Michael McCray**, *Consultant, Monsanto*, worked directly with Siddique at Monsanto

"Siddique is one of the rare individuals who seamlessly translates business requirements into software implementation. He demonstrates a deep and broad understanding of business scope as evidenced by the software he develops. The entire development, design, and QA team holds Siddique in high respect, and for good reason - he is very dedicated and supremely knowledgeable on software architecture and best practices. It is my pleasure to work with Siddique on my projects, and I would recommend him without reservations."

— **George Wang**, *Functional Architect, Monsanto*, worked directly with Siddique at Monsanto

"Siddique is a very experienced and a hardworking individual. I have had the opportunity to work with him on several projects with very short deadlines and he always rose up to the occasion. He

is very detail-oriented and dedicated. Also, he has developed and released many open source applications/plugins and has been generous in releasing them to the developer and user community."

— **Raj Balakrishnan**, *Team Lead, Waste Management*, worked directly with Siddique at Waste Management Inc.
