The Java Community ProcessSM Members-Only Event

Wednesday, March 27, 2002

While you're at the 2002 JavaOneSM Conference, please set aside Wednesday evening, March 27, for a Java Community Process (JCP) Members-Only Event.

This is your chance to mingle with fellow JavaTM technology architects and developers, and meet with the companies most involved in the continued growth and success of the Java platform.

Located in the Argent Hotel, minutes from Moscone, you'll hear an overview of the JCP vision followed by current discussions on enhancements to the process itself and revisions to the Java Specification Participation Agreement (JSPA).

We look forward to seeing you there!
