# JSR Deadlines [1.3]

Java  
Community  
Process

- **If the JSR doesn't meet any of the deadlines, the EC may request a 'Renewal Ballot.'**
- **EDR: 9 months after JSR is approved**
- **Public Review: 12 months from close of EDR**
- **Final Release: 12 months from close of Public Review Ballot and 14 days or less after Final Approval Ballot**
- **Maintenance Release: deadline set by Maintenance Lead**

# New Stages/Ballot changes

- **JSR Review: 2-4 week period of public scrutiny/discussion of a JSR Proposal before the EC votes [2.2]**
- **Public Review Ballot starts after Public Review period [3.4]**
- **Maintenance Review Ballot: follows all Maintenance Reviews (Item Exception process is gone) [5.2]**
- **Withdrawal Ballot: when RI/TCK links go bad for a Final or Maintenance Release and are not fixed by the Maintenance Lead, the EC can call for a vote to withdraw the JSR [4.3]**
- **Maintenance Renewal Ballot: when you miss your own deadline [5.3]**
- **Transfer Ballot: changing Spec/Maintenance Leads [5.1.1]**

# Maintenance changes

Java  
Community  
Process

- **Maintenance Leads must generate and update a list of all compatible and publicly or commercially available implementations of the JSR and send it to the PMO at least quarterly.**
- **Maintenance Lead specifies when the Maintenance Release will be posted after the Maintenance Review is approved. A renewal ballot might result if the Maintenance Lead doesn't deliver the release by the deadline.**
