Java Community Process (JCP ) Program Executive Committee (EC) Participation Record
4 December 2007 - 3 October 2008

The September EC meeting is not included as the minutes have not been approved, yet.

BEA Has been merged into Oracle and as such is no longer consider in the stats since the merger. All the BEA related statistics have been adjusted accordingly.

These statistics on participation (EC ballots voted and EC Meetings attended) by the JCP program EC members were compiled by the JCP Program Management Office (PMO). The record runs from December to October because these EC Members took office in late November 2007. Please contact pmo@jcp.org if you have any questions.
