

Java Community Process (JCP) Program Executive Committee (EC) Participation Record

16 November 2010 - 31 October 2011

These statistics on participation (EC ballots voted and EC meetings attended) by the JCP program EC members were compiled by the JCP Program Management Office (PMO). The record runs from November to October because these EC members took office in November 2010. Apache, Doug Lea, Tim Peierls, and Sony Ericsson resigned mid-term, so they have not been included in the statistics. T-Mobile was acquired by Deutsche Telekom, so they have been included as Deutsche Telekom. Goldman Sachs (SE/EE), London Java Community (SE/EE), SouJava (SE/EE) and Alex Terrazas (ME) joined the EC in spring 2011 and their statistics have been adjusted accordingly. Please contact pmo@jcp.org if you have any questions.
